Instructions were given in regard to the cleaning out of the supply ditches.

The Water committee reported the purchase of 240 inches of water for the use of the city at a cost of \$160. A warrant was ordered drawn in payment of the claim.

The Gazette was awarded the city printing for one year.

A petition of taxpayers was presented praying that the Chinese wash houses on Washington street be declared a nuisance and ordered removed. Referred to the City Attorney.

The Recorder was authorized to purchase 100 feet of hose for the use of the janitor.

City Attorney Williams then laid before the Council a new ordinance relative to the levy and collection of taxes. After much discussion the ordinance was passed.

**THE TRANSFER COMPLETED.**  
Signing of the Deeds for the Harqua Hala Mines.

The sale of the Harqua Hala mines was completed yesterday.

During the afternoon Frank Kirkland and Thomas A. Cochran turned over two deeds to A. G. Hubbard and George W. Bowers, each instrument conveying a one-quarter interest in the original Harqua Hala group of gold mines.

They consist of the following claims: Golden Fleece, Golden Eagle, Gold Ark, Gold Belt, Gold Hill, Gold Star and Gold Mountain locations. The Gold Star mill site, situated about six miles distant, is also included. The consideration written in each deed is \$5, but the actual amounts paid were, to Mr. Cochran \$19,500, and to Mr. Kirkland \$18,000.

It is understood that the new firm of owners intend to start up active work at once. The ownership is now vested in A. G. Hubbard, who holds a one-half interest, and G. W. Bowers and Col. C. H. Gray one-quarter each.

There is some trouble over the property at present. A man named Hore has jumped and is holding the Golden Eagle claim, one of the best on the ledge. He has been taking out quite an amount of ore, and last week by arrastra took from seven tons of ore the sum of \$120. The deeds will be recorded in Yuma county.

**SWEPT BY A CYCLONE.**  
The Deadly Funnel-Shaped Cloud Sweeps over Channanion, Illinois.

JOLIET, Ill., June 11.—A funnel-shaped cloud passed through the village of Channanion at 9 o'clock last night, doing immense damage and killing and injuring. It is understood, quite a number of people. Channanion is a town of about 1000 persons, nine miles south of Joliet, with no railroad or telegraph facilities.

A large strip of country was devastated. The reports indicate that the list of killed and wounded is large. Surgeons have been sent from here to relieve their sufferings. From meagre information at hand it seems that most of the damage was in the country around Channanion and that a majority of all casualties occurred outside the town.

Although the place is not far from here there is little hope of getting anything definite from there tonight owing to the bad condition of the roads. While it is believed the reports so far received are exaggerated, the belief is prevalent that a great disaster has occurred. At 2 a. m. nothing had been heard from the parties who left here for Channanion.

**THE MILITARY COURT-MARTIAL.**  
Beginning of the Trial at Tucson—Bock's Testimony.

TUCSON, Ariz., June 10.—The military court-martial ordered to try Capt. Alonzo E. Milmore, Assistant Quartermaster, Major Ames S. Kimball, Chief Quartermaster of the Department of Arizona, Major Joseph W. Wham, Paymaster, and Major Albert S. Tower, convened today. Col. Henry M. Beck of the Twenty-third Infantry is President.

The case of Capt. Alonzo E. Milmore was called first. The charges against him are that he owned property used for his office and that in conspiracy with his clerk and others he charged the Government an exorbitant rent; also that he filed vouchers of his personal servant for work alleged to have been done by her as janitor at his office; also, that in connection with the clerk and the latter's wife, and also with Major Wham and Major Tower, he rented rooms ostensibly for an office, while in fact using them for residences and charging excessive office rent at the same time.

Captain Milmore's clerk, Carl Bock, testified today that the house in which Milmore's office was located had been bought by the captain years ago for Mrs. Bock as her agent, although the deed was always in Captain Milmore's name.

**OPIUM SEIZURE.**  
Arrest of a Chinese Dealer in the Prohibited Article.

To Constable Slankard is due much credit for an arrest Monday afternoon. The traffic in opium has been for years carried on in Phoenix on a large scale, though secretly of course. The Constable has been keeping watch on a number of suspicious houses. Last evening he saw, coming from the house of Suen Yum, on the lower corner of Montezuma and Adams streets, a woman named Jennie Anderson. Surprising her, he took from her possession a fifty-cent card of opium and quickly entering the house he caught a Chinaman in the act of replacing on a shelf a large jar of the pernicious drug. The Celestial was promptly taken into custody.

He plead guilty this morning before Justice Sherman and paid a fine of \$15.
